Cautionary Note Regarding Forward-Looking Statements

This press release contains forward-looking statements that are subject to risks and uncertainties.

These forward-looking statements are based on our current expectations and assumptions, which are subject to change. We may not be able to achieve the results we expect, and our actual performance may differ significantly from our expectations. Factors that could cause such differences include, but are not limited to, changes in market conditions, regulatory requirements, and our ability to execute our business plan.

Forward-looking statements are identified by the use of words such as "anticipate," "project," "expect," "forecast," "aim," "should," "plan," "goal," "future," "will," "may" and similar expressions or by using future dates in connection with any discussion of, among other things, statements.

These forward-looking statements are not a guarantee of performance. We cannot predict what will happen in the future, and our actual performance may differ significantly from our expectations. We have identified certain risks that could cause our actual performance to differ from our expectations. These risks include, but are not limited to, changes in market conditions, regulatory requirements, and our ability to execute our business plan. We have also identified certain uncertainties that could cause our actual performance to differ from our expectations. These uncertainties include, but are not limited to, changes in market conditions, regulatory requirements, and our ability to execute our business plan.
